

2019-2020 Open Enrollment

Dear Parent/Legal Guardian:

The Vail Unified School District accepts applications from VUSD parents wishing to have their child attend a Vail school outside of their home school attendance boundary area and from parents living outside of the VUSD district boundaries wishing to have their child considered for enrollment in a VUSD school (Open Enrollment). Open enrollment/transfer applications are considered on an annual basis and a separate application must be submitted for each student prior to April 1st.

This year the district is moving to an online application, it can be accessed on the VUSD website under "Our Schools" and then "Registration Information" or through the following link: <http://www.vailschooldistrict.org/our-schools/registration-information/#1454604958106-ad259a8f-9597>

The VUSD will accept online applications between December 1, 2018 through April 1, 2019 for the next school year (Priority Deadline). The district will continue to accept applications after the April 1, 2019 Priority Deadline and students will be placed based on the availability of enrollment space at individual schools.

As the District is moving to this new online process we anticipate there may be questions. If you have any questions or concerns, please do not hesitate to contact me directly at 520-879-3982 or scanlonp@vailschooldistrict.org.

Thank you,

Pamela J. Scanlon, M.Ed.
