

Hello RVMS families!

July 17, 2018

The Rincon Vista PTA is excited to announce this years **PTA Membership Drive**. We had amazing support from our families last year; we're hoping to exceed those extraordinary PTA numbers. We can't do this without your support and you'll find that there are many ways you can easily contribute to this wonderful organization.

Family annual dues are only \$10.00 and this money benefits our school directly.

I know we are all very busy, but joining the PTA is super easy and requires minimal to absolutely no time/effort on your part. Also, by joining the PTA, you will be helping to build Rincon Vista's community and culture by celebrating student success as well as assisting and honoring our teachers' hard work. There are so many ways to support our school; hopefully one will work for your family.

Highlights of RVMS PTA

Supporting our students and teachers

- Be involved as much or little as your schedule will permit.
- Feel free to volunteer during or after school hours.
- No pressure to attend PTA meetings!
- Know that you are making an impact in your child's education.

Please take time to look over the **PTA Membership Form, Staff Appreciation and Fry's flyers**, and return **all three** of these back to your child's advisory by **Friday, August 18th**. (Even if you choose not to join the PTA, still feel free to sign up for Staff Appreciation.) **For every family membership, your child/children will be entered to win an RVMS T-shirt & other prizes. Finally, the Advisory class for each grade that brings in the most membership forms will receive a donut breakfast!** Thank you so much for your help to RVMS PTA and our school.

Sincerely,

Cassandra Hughes

RVMS PTA President
